EVIL ANGELS IN SIN CITY

Photos from the 2012 Adult Entertainment Expo by Glenn Baren

The annual Las Vegas XXX industry confab, the Adult Entertainment Expo (AEE), is the chance for Evil Angel directors and staff to see old friends and meet fans. The 2012 EA convention booth featured five stunning girls greeting the public and signing autographs — popular starlets Brooklyn Lee, Lea Lexis and Aiden Aspen plus two superstar EA performer/filmmakers, Belladonna and Bobbi Starr. Coinciding with AEE is the AVN Awards presentation; "Buttman's Stretch Class," from Buttman Magazine Choice, was named Best Specialty Series, and EA took home many more prestigious statuettes. Thanks to all the performers, artists, business pros and consumers who make the porn biz so rewarding.

BOBBI STARR'S POV BY BOBBI STARR

THE THOUGHTFUL VIEW FROM BEHIND HER CAMERA

In November it's Thanksgiving. You get together with your family, you eat a meal and you reflect over times gone by and people that have gone (ideally). In December it's Christmas. One more holiday with the family; presents are given and the traditions that only you share with them bring you together even closer. And a week later you're with friends on New Year's, thinking about the year that just ended and wondering what the new year will bring.

The beginning and end of the year is steeped with ritual. Some of it's religious, some of it isn't; but ritual is what makes Thanksgiving *my* Thanksgiving, Christmas *my* Christmas and New Year's *my* New Year's ... you get the idea. If anything, it's curious how this much anticipation and retrospection is packed in the span of a little over a month. If the hand-to-hand combat of Christmas shopping doesn't kill you, the emotional overload of the season just might.

If you're in the adult industry, there are two more shared experiences you brace for. They are, of course, the Adult Entertainment Expo (AEE) and the AVN Awards Show. Every January you make the trek, by plane or car, to Las Vegas to sign autographs, pose with fans and wait breathlessly to see if you've won anything.

Like all rituals, it seems mysterious at first. People talk about how the shows used to be so much better, but since this is one of your first — or maybe it is the first — you wouldn't know. The show is so huge, though; how could it have been any bigger? How do these people know who you are? You just started in the industry, but they know your name and they know all your scenes. Those fans are amazing. Then you get ready for the awards show. Walking down the red carpet is exhilarating and it's amazing you've been nominated for all those awards!

Give it a few years, though, and you realize that rituals are just behaviors you do over and over again, and like insanity, sometimes you don't know why. When you talk to someone new, brimming with enthusiasm, you become that person talking about how much bigger the show was and how much more fun it was when you started. Those fans who know all of your scenes by memory get a little touchy sometimes, and a few of them have the bad habit of pinching your ass when they know it's off limits. Then, finally, you sit at the awards show wondering how much longer you'll be nominated for Female Performer of the Year, and how you can keep smiling and saying, "It's an honor just to be nominated," through gritted teeth, and still sound sincere. Like familiarity, ritual breeds a certain degree of contempt.

But things were different this year. (I'm not

talking about the overall perception that the show is getting smaller, or that there's a cloud over the show with the difficulties the industry's been having with declining sales and threats of regulation by self-serving do-gooders. Those clouds have been hanging over the industry for awhile.) What's different this year was that the show was

held at the Hard Rock instead of the Venetian and its adjoining venue, the Sands Convention Center. I've been to the Hard Rock a few times for other industry events in the summer, and I know it's a smaller space. Also, while the AEE was once part of the Consumer Electronics Show (CES), it broke off. Like a vestigial tail, the AEE continued to be held at the same time as CES. The electronics show is one of the largest conventions held in Vegas. The atmosphere that time of year was like a huge party, and anyone attached to the adult industry was a rock star among the store buyers, electronics salary men and assorted gawkers that turned out for the shows. The conventional wisdom was that CES supplied the fans that bought the tickets to come to the AEE and the AVN Awards Show. But this year, because of CES taking place during the week and the awards show needing to be held on a Saturday, the two conventions didn't coincide.

Between the change of venue and AEE now being a stand-alone show, people in the adult

industry looked at each other and wondered out loud if this was going to be the last hurrah. Rumors raced up one end of the San Fernando Valley to the other. Some tried to read into the events, to see if they had some deeper meaning as to the fortunes of the production companies, AVN and the industry at large.

It turns out the show wasn't that bad. Trade Day, when only industry people are allowed access, was slow, but it usually is anyway. The fan days were still pretty busy. More importantly, the smaller convention space in the Hard Rock didn't draw comparisons to how many fewer people were at the show compared to its heyday. The huge, cavernous area that AEE took up in the Sands seemed to emphasize how the show got progressively smaller each year. No CES also meant it was easier to get around Vegas. You didn't wait a half-hour for a cab and you didn't have to wait hours to get seated at a half-decent restaurant (forget about being seated at a *decent* restaurant). If anything, the new show at the new venue was like a nice working vacation.

Finally, there's the awards show. When you've done the awards show as often as I have, not much surprises you anymore. You learn not to hope too hard, and you know which nominations you wind up getting over and over again for whatever strange reason only the staffers at AVN (the adult industry trade magazine) understand. For example, I have been nominated for Female Performer Of The Year pretty much as long as I've been in the industry ... but I've never won the award. People joked that I was the Susan Lucci of porn, but even that wore out its humor when Susan Lucci actually did win an Emmy.

So there I am this year, sitting in my seat. The Female Performer Of The Year nominees are read off, and my mind's somewhere else. Then I hear my name. I wasn't sure, but then they said it again.

I won.

I was shaking. Manuel Ferrara had to help me on stage. But that wasn't my only win that night. My website, BobbiStarr.com, won Best Porn Star Website (which means a lot, considering how long it took me to find the right people to work with). And my Evil Angel directing debut, "Bobbi's World," was named Best All-Sex Release, Mixed Format.

So what did I learn? Sometimes burying old rituals is a good thing ... and here's to making new ones.

See our layout from Bobbi's "Occupy My Ass" on page 30. See more about Bobbi's new movies in *Evil Eyes* on page 91.

TEENS EXPOSED To Horrifying Damage ... By Supermarket Mag Covers?

A group of censorious parents have demanded that their children's minds be shielded from the fluffy, puerile, relentlessly repetitive sex pap on the cover of *Cosmo*-*politan*. The fearful busybodies want *Cosmo* concealed in the checkout area of their local supermarkets.

Childless-But-Concerned Citizen Nicole Weider is leading the charge. She told Fox News, "As a former reader of the magazine, I happened to pick up an issue and was completely shocked at how pornographic and explicit the content had become. I immediately thought of my young teenage brothers and it horrified me to think that they and their friends could be reading this material, and the damage it would do to them if they did."

(Pause to somberly consider the "damage" a "pornographic" *Cosmo* headline about "21 Naughty Sex Tips" or "His 6 Secret Sex Spots" could do to an American teen, if you're not too "horrified.")

So "former" reader Weider "decided to do something about it." She took to change.org to petition that the magazine be sold in a non-transparent wrapper, and she found support from parents sick of having to explain that sex is a special hug between mommies and daddies (or glamorous celebrities and models).

Asking that the magazine be placed behind a shield or above the eye line of kids might not be outrageous; but Citizen Weider also wants to make sure that people under 18 aren't allowed to purchase the magazine. However, the Federal Trade Commission told Weider that the silly rag would continue to be displayed naked and sold over the counter until it is deemed a threat to society.

What a relief! Without *Cosmo*, what would 15-year-olds laugh at on the bus on the way back from their track meets? Who's going to terrify the virgins by telling them over and over that men really want their taints lavished with attention? Who's going to buy that magazine at all, if not the teenagers? (We're not too relieved to ask exactly who has the right to deem printed material "a threat to society.")

STUDY: Teens Take Casual Sex Casually

University of Minnesota researchers have found that young adults engaging in casual sexual encounters do not appear to be at increased risk for harmful psychological outcomes as compared to sexually active young adults in more committed relationships. **Although there has been speculation in public discourse that sexual encounters outside a committed romantic relationship may be emotionally damaging for young people, this study found no differences in the psychological well-being of young adults who had a casual sexual partner versus a more committed partner.**

Marla E. Eisenberg, Sc.D., M.P.H., Medical School, and colleagues used data from an ongoing study that assessed a diverse sample of 1,311 sexually active young adults. From 2003-2004, 574 males and 737 females in Minnesota with a mean age of 20.5 were surveyed regarding sexual behaviors and emotional well-being. Of the sexually active respondents, 55 percent reported that their last sexual partner was an exclusive dating partner followed by 25 percent whose most recent partner was a fiancé/e, spouse or life partner. Much lower percentages reported that their last sexual partner was a close but not exclusive partner (12 percent) or a casual acquaintance (8 percent). Over twice as many males as females reported that their last partner was casual (either a "casual acquaintance" or "close but not exclusive partner").

The study, published in the academic journal *Perspectives on Sexual and Reproductive Health*, focused on psychological impact; researchers caution that the physical risks of casual sex should not be overlooked.

Comment: Lots of college students experience the psychological ramifications of not getting some casual sex...

Second comment: Maybe the researchers should turn their attention to the horrifying psychological damage wrought by the headlines on *Cosmopolitan*...

Survey: Women Out-Slutting Men!

A sex survey conducted by British magazine *More* found that young women are becoming more promiscuous. According to the survey, women are taking on more sexual partners than men. And they seem a lot less discriminating about whom they'll fuck than women of previous generations.

By the age of 21, women in the *More* survey have had sex with an average of nine lovers — two more than their male partners. And a quarter of women reported sleeping with more than 10 partners in the five years since losing their virginity, compared with a fifth of young men.

Lisa Smosarski, editor of *More*, suggested that there will be no turning back for today's sexually confident young women. "Our results show that after decades of lying back and thinking of England, today's twenty-something women are taking control of their sex lives and getting what they want in bed."

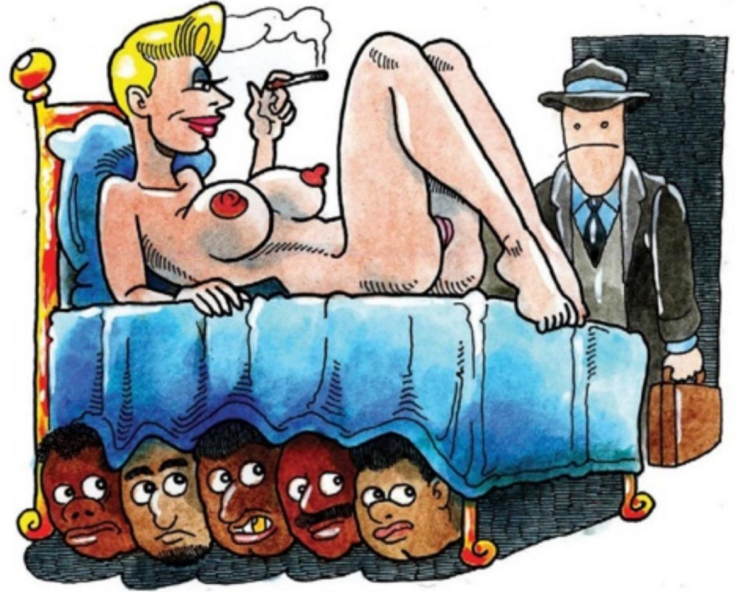

Indeed, the survey found more than half of the women were not in love with the person to whom they lost their virginity. And only 32 percent believed love to be an important factor before having sex. Seven out of 10 confessed to having had a one-night stand and a fifth had enjoyed more than five. Only 1 percent said they would wait until marriage to have sex.

One in four women surveyed said they would marry for money while 39 percent would sleep with their boss for a promotion. And 27 percent would have an affair with a married man, while 14 percent would sleep with their best friend's partner.

Young women are also twice as likely to be unfaithful, with 50 percent admitting they have cheated on a partner, half of those at least twice. (Comment: How do the women surveyed know how much their partners have cheated?) Yet if their man was caught being unfaithful, 99 percent of the women surveyed said they would show him the door.

The survey also found that women crave more sex, but still believe men enjoy it more than they do. (Comment: Ladies, demand quantity *and* quality!)

Butt Sex Among Straights **BLOWING UP!**

Though its practice is assumed by some to be a gay male thing, anal intercourse appears to be gaining popularity among heterosexual couples. *Sexual Behavior, Sexual Attraction and Sexual Identity in the United States*, a Center for Disease Control and Prevention (CDC) report, found that 44 percent of straight men and 36 percent of straight women admitted to having had anal sex at least once in their lives. The report polled thousands of people between the ages of 15 and 44 from 2006 through 2008; given society's continued mainstreaming of porn and anal themes, it's possible that the rates for heterosexuals experiencing anal sex may have increased since 2008.

But the CDC isn't the only source to show the burgeoning of the butt fuck. "The recent rise in the popularity of heterosexual anal sex among young people is demonstrable and has been documented in a series of studies over the past few years," says Jezebel.com columnist Hugo Schwyzer. "As the *Journal of Sexual Medicine* announced in 2010, 40 percent of women age 20-24 report having done it at least once. The number of 18-19 year-olds who've been anally penetrated rose by 20 percent between 1992 and 2010. Whatever the catalyst for the rise in anal intercourse, its popularity is supported by data as well as anecdote."

A comparison of the *JSM* and CDC numbers would seem to show that the younger the generation, the greater the likelihood of women "getting their brown wings."

Comment: Many stories reporting the above statistics in the mainstream media parrot the PC party lines that receptive anal intercourse can't be truly pleasurable and that men who like fucking female ass are misogynists. We say such columnists are ignorant, dishonest ... or they know the wrong women.

Danyel Cheeks and Sunset Thomas

If you'd like a single-disc summation of director John Stagliano's recent gonzo doings, train your viewfinder on "Buttman Focused." He explains, "The concept is to show the best of a number of fetish-type shots that I emphasize in my 'Stretch Class' movies and in recent other Buttman movies. I group the fetish shots together so that at the start all you get are wedgie shots, then just camel toe shots, later on to gapes, tit torture, orgasms, etc., with about three to five girls shown in each section. Really this movie is the brainchild of my editor, Dale. Both of us love my 'Stretch' series because in it I take the time to indulge in sexy particular things that I like about a girl but that no one has time to shoot well in a normal boy-girl scene. In 'Focused' I stay on that one idea for a while. This movie really works for me. I hope it does for my fans. Of note is that 'Stretch Class' did win Best Specialty Series from AVN this year. Someone has noticed this series, or they just want to

The maiden DVD release of "Buttman II" turns the focus from recent Evil Angel history to an earlier vintage. The 1992 movie, directed by the late kink king Bruce Seven, is a time capsule of girl-girl

butt fun subtitled "Behind Bars" for a couple of capers set in a jailhouse. "Danyel Cheeks is in that movie, as well as the original Buttwoman, Tianna," recalls Buttman, who created the Buttwoman character. "Both were amazing girls."

Legendary porn stud/provocative Buttman Magazine Choice director Sean Michaels understands young, wayward girls, and in "Daddy Knows Best," he gives them the sexual authority figure they crave and the huge, stiff black cock they covet. As "Professor Michaels," Sean fucks some discipline into cute, girly blonde Briella Bounce ... and her pussy gushes torrential girl cum. Briella's attitude improves as Sean butt-fucks her, feeds her ass-to-mouth flavor and creams her face. Like a good brown noser she tongues his asshole. Dirty blonde Emma Ash has natural titties and some baby fat. Just 18, she's seduced by a father figure who recognizes her level of maturity, and Daddy loves her little tongue up his asshole. Exotic, mixed-race teen Kiera is unsatisfied by the inexperienced boys she dates, so she turns to Sean. She feels fulfilled grown up-style once he's fucked her in the bathtub, taken a rim job and cum all over her face and hair. Sean meets curvy, thick-bodied Nikki Phoenix on her first visit to a clothing-optional resort and provides the adventurous cutie's first taste of black meat. If parents can't face what lurks in the hearts of their daughters, well, at least "Daddy knows best."

**TIMO HARDY'S
PARTY HARDY**
RELEASE DATE: 12/19/11

Big-dicked Russian sex maniac /director Timo Hardy brings wild sex with Russian nightclub girls to Buttman Magazine Choice. Timo's "Party Hardy" follows the horny madman through four scenes of wild, free form debauchery with his pick of the hottest, most uninhibited young party sluts on the European frontier. Our man brings the nightclub home with a rave-up disco gathering. Fetishistic, fishnet-clad club sluts Eva Smolina and Milla perform a little butt plug show and offer up their loosened bumpholes for Timo to plunder. Elsewhere, Timo invites adorable brunette Liza to his apartment for some sloppy throat fucking and intense sodomy. He spunks Liza's pretty face, then licks her clean like a true pervert. Gorgeous teens Clair and elegant, short-haired Linda come to the director's pad for a three-way date of face sitting, gaping anal penetration and ass-to-mouth cocksucking. In four scenes, Timo knows how to party! (See shots from his upcoming "Club Timo" on page 37.)

Director Glenn King's MeanBitch Productions caters to psychologically helpless males with heartless, dominant, big-assed broads. The perverse Mistresses of "FemDom Ass Worship 12" take pleasure in destroying hapless weaklings via smothering asses and degrading emotional brutality. Each vignette begins with a POV segment as the fearsome star talks to the camera, taunting you with her big butt and evil intentions. Blonde, busty, sassy Nikki Delano turns the tables on a scumbag blackmailer, making him tongue-clean her huge ass and trampling his face with her bare feet. Bitchy TV newscaster Mackenzie Pierce makes her diminutive co-anchor eat her snatch, rim her asshole and worship her sweaty soles. Private investigator Aurora Snow blackmails a perverted husband into slurping her toes and groveling beneath her ass. Fierce black Mistress Sydnee Capri embarrasses her weak boyfriend in front of his buddies. She pushes her thick, brown booty into his face and demands a long session of anilingus and foot licking.

Legendary director/stud Rocco Siffredi presents another collection of his private point-of-view adventures with young, up-and-coming sluts. "Rocco's POV 7" has seven explicit casting sessions with willing, all-natural applicants who bring their sexual freshness to the Italian superstar's home office and do whatever pleases him. Adorable, 18-year-old student Katie Gold communicates with the international tongue — blowing the director, eating his asshole, humping his big dick, then jacking his cum into her mouth. Tall, refined teen model Kitty Jane loves riding Rocco and swallowing every drop of his sperm. Black-haired Walleria's big, firm ass is built for anal sex. Busty schoolgirl Angelica Black uses a dildo to prepare her anus for Rocco's famously huge cock. Pretty model Eufat puts on a show with her favorite sex toys, and big-boobed Aneta takes an anal pounding. Only one man can actually be Rocco, but at least the rest of us get a look from his POV!

Perverved director Kevin Moore, creator of the Buttman Magazine Choice "Panty Pops" and "Spandex Loads" series, has a new target for lust and semen. In "Titty Creampies," Kevin captures huge boobs, blow jobs and orgasmic breast fucking that leaves milky mammaries coated with cream. Eight scenes of jugs-worshiping footage include POV action that puts the viewer's cock in the cleavage. "I'm a fanatical fan of tit fucking scenes, but I always had trouble finding scenes shot exactly how I wanted them," says producer Cly Maxwell, who works with Kevin on all of his BMC movies. "His director's eye brings my vision to life. The premise is simple — a total focus on titty fucking, all the way until the guy cums in her tits. The guys are banned from pulling out and jerking off — they're required to fuck those titties all the way until they cum. Katie Kox is the real star of the show, a natural performer with a sultry sexuality that drives me nuts." Indeed, the gorgeous, naturally stacked blonde squeezes her lubed melons around a cock till it explodes, then plays with her cum-splashed twin turbos. See our photo layout on page 92 of this issue.

Europe teems with wayward teen waifs hopeful of starring in sex films, so Cruel Media separates the sluts from the wannabes. "Anal Attack 9" showcases neophyte nymphs with the infamous "Cruel Cock Mafia" in six scenes of anal debauchery. Nikoleta and Bernadetta get sodomized in side-by-side anal rearings; they swallow semen and share a cum kiss. Shorthaired bleach-blond Tanya welcomes two brawny dudes to cock-stuff her holes. The big puds dwarf her little body, leaving her buttohole gaping angry red. A double-penetration mauling leaves Lisa Sparkle's lower holes happily exhausted; a double-facial leaves her a spunk-splattered mess. Lucy, a fetching green-eyed blonde with natural tits, rides a prick hard and blushes red as she orgasms. Lube leaks from her gaping anus when the pounding subsidizes. Having proven themselves with the Cruel Cock Mafia, the girls of "Anal Attack 9" are ready for the fucking world.

The face-sitting aficionados at Roman Video have created more literally breathtaking scenes of female butt domination. "Asses Of Face Destruction 11" features five gorgeous girls with powerful rumps. Introducing each session is a POV segment in which the sexy star commands the viewer's tongue-worship; then we get to see her fearsome rear dominate a hapless mook. Bodacious, big-assed blonde Kagney Linn Karter wears black latex gloves and thigh-high vinyl boots as she makes her muscular slave lick her booty. Lust-worthy, tanned, all-natural Jynx Maze maintains a torrent of verbal abuse, planting her shapely buttocks over her struggling male servant's air holes. Voluptuous, huge-bottomed Alison Tyler gets a backdoor tongue bath from her groveling partner. Blonde bombshell Briella Bounce pins a guy to the mattress, her giant, soft buttocks taking pleasure at the expense of his respiration. Rubber-clad Krissy Lynn leads her servant around on a leash and smothers him. Bung-hole worshippers, kneel at the ass altar!

Abbie Cat (plus Nataly Von's feet)

Abbie Cat tastes Bettina DiCapri

French director Christoph Clark has extensive experience persuading young Euro angels to perform nasty sexual acts. The expertise pays off again in "Angel Perverse 23," which Christoph calls, "my big comeback in front of the camera." Four scenes of anal perversity star Christoph and his erotically inventive protégé, petite Abbie Cat. She tempts him into a kitchen session of POV cocksucking, anal reaming and ass-to-mouth flavor. In a three-way with Abbie and Christoph, dark-haired teen Anastasia Brill rubs his dick with her nyloned feet and takes

his member up her butt while Abbie laps her shaved pussy and sucks dick ATM-style. Abbie leads slender blonde Nataly Von from the street to an underground parking garage, where Christoph pushes the young sluts against a concrete wall to fuck them from behind. He brings both girls home for filthy rimming, foot play and buttfuckery. Christoph and Abbie join big-assed, all-natural teenager Bettina DiCapri for relentless reaming that leaves Bettina's ass gaping widely. RELEASE DATE: 2/1

Isabella Clark and Megan

Rocco Siffredi, legendary Italian fucker and director of nasty pornographic films, presents an orgy of filthy (but fun) hard-core sodomy, "Rocco's Anal Slaves 2." In four epic scenes — one a threesome, two foursomes and a quintet — Rocco unleashes male-dominant madness upon uninhibited young beauties. Amabella and Honey Demon could be twins — their black leather-and-fishnets outfits, long legs and strikingly long, black locks match. Both girls take deep anal rides and each tastes the other's rectal flavor on Rocco's prick. When Omar Galanti arrives exhausted in St. Petersburg, Rocco arouses him with natural-bodied cuties Amanda, Eliza and Miranda. Omar's face gets smothered in all three butts at once. He fucks Eliza's bung-hole to gaping, and her pussy quiffs both visibly and audibly! Nikky is a spectacular, glamorous blonde as friendly as she is beautiful. Ian Scott and Christian Devil's huge cocks hammer her distended, gaping asshole to satisfaction. Rocco dominates gape queen Isabella Clark, making her watch as he fucks cute teens Nika, Alisha Silver and Kiera. Finally Isabella's patience is rewarded with his fat cock and a dildo up her ass simultaneously! With anal slaves like Rocco's, who needs emancipation?

"Rocco's X-Treme Gapes 2" contains three epic scenes starring adventurous cuties with flexible sphincters that open like massive portholes. "We have young girls going so wild in anal," says Rocco. "Then we have the Queen of Gapes" — that's Isabella again — "who kept asking for more and more." Lovely Megan kneels to suck Rocco's enormous pole while rectal acrobat Isabella trains her amazing bung-hole with a gigantic rubber cone. Rocco and Megan fill Isabella's cavernous colon with several dildos at once. Rocco has the ladies share a cum kiss. Adorable, young Sasha Rose, whom Rocco calls "this incredible girl," intervenes in an argument between Rocco and friend Mike Chapman. They agree to double-penetrates Sasha, simultaneously stuffing her rectum and cunt with thick

prick. The hardworking babe even goes double-anal, with both cocks stretching her asshole at once! Eager-to-please student Eliza gags as Rocco harshly fucks her face, coating it with slobber, then bends over to be rudely sodomized. Her classmate, Helen, joins an intense session of anal expansion, ass-to-mouth perversion and lewd girl-girl rim jobs. No ass gapes too extremely for Rocco!

JOEY SILVERA

Spanish madman Nacho Vidal possesses not only a huge cock, but an insatiable perversity and seemingly limitless animal energy for rough, dominant fucking — perhaps that's why director Joey Silvera considers fellow Evil Angel director/performer Nacho an erotic savior. Joey's two-disc celebration of the legendary cocksman, "Nacho Vidal: The Sexual Messiah," features five vignettes with our hero as a peculiar sort of school athletics instructor.

Gorgeous, black submissive Skin Diamond is an aspiring jock applying to Coach Vidal's swim team. Statuesque Euro-blond Sandy warms up the new recruit with some face sitting; then Nacho totally dominates the foxy athlete, cutting off Skin's air supply with a plastic bag, strumming her G-spot to a squirting orgasm and relentlessly fucking her asshole. (See our photo layout from this scene on page 18.) When busty Asian superslut London Keyes investigates Coach Nacho, she finds herself brutally manhandled, subjected to a ferocious session of vibrator-enhanced anal sodomy and ass-to-mouth training. Nerdy, petite teen Riley Reid gets fucked and spanked by Alan Stafford, a coach's assistant trying out some of Nacho's disciplinary strategies. American Latina student Brooklyn Lee gets personal attention from Coach Nacho, who probes her pussy while she smokes a cigarette; invades her ass with toys; and demands a gurgling throat fuck before banging the freckled slut in all holes. Lastly, Nacho takes brunette cutie Cassandra Nix to the soccer field, then back to his office for more practice. The slender, all-natural teen ends up exhausted, her rectum gaping. Even Joey gets some side action! "Nacho Vidal: The Sexual Messiah" is sinfully wicked.

Joey is a pioneer of the pegging niche, XXX videos wherein horny females don strap-on dongs and go dominant, reaming the rectums of male assholes. In "Miss Teen Strap America 2," the power-plunging cuties include Tanya Tate and Cassandra Nix; Kimmy Kay and Megan Piper; Lily LaBeau; Khloe Kush; Holly Michaels. Cute Khloe (page 60) and tall ingenue Holly's (page 96) scenes are pictured in this issue.

In this corner: hot-assed, hot-blooded Latina Francesca Jaimes. In that corner: hugely hung superstar/filthy filmmaker Nacho Vidal. "Nacho vs. Francesca Jaimes," dedicated to the curvy, fiery Latina, is a telling title given that the combatants are real-life husband and wife! In fact, all marriages need the sexual energy, variety and friction Mr. and Mrs. Vidal expose here. The opening *menage-a-trois* features a second Latina who contrasts strikingly with hard-bodied, monster-assed Francesca: petite, playful, exceptionally girly Kristina Rose. Each girl fucks the other with a strap-on; Nacho nails Francesca's big butt and the girls share a climactic cum kiss. Another toy-filled three-way offers flashy bleach-blond Puma Swede and Francesca in a string one-piece that can't contain her thrill-ride bod. Amid face-sitting and female ejaculations, Nacho porks Francesca's rump, Puma sucks ass-flavored meat and the girls cavort gorgeously in the shower. Pole dancing in a moody strip club, Francesca seduces lush-lipped, leggy, round-assed patron Sandy into juicy pussy eating and a massively messy milk enema sprayed onto Sandy from Francesca's asshole! In a solo scene, Francesca digs into her twat till it erupts with girl cum; she drips hot wax all over her body and takes the lit candle in all holes. Because man cannot survive solely on marital sex, Nacho includes a rough anal tryst with dirty blonde Kara Price that culminates with him dunking her head in a toilet. All's fair in love and porn.

"Made in USA" is a five-scene celebration of anal savagery starring a bevy of adventurous stateside hotties. Nacho craved the inspiration of irrepressibly lusty American performance sluts and unleashed his erotic fury on the kinky American chicks who can handle him. Lascivious brunette Izy-Bella Blu uses a strap-on to dominate bound and blindfolded teen Cassandra Nix. Izy-Bella deals a vicious spanking to her young submissive's ass, and both girls get reamed to satisfaction by anal toys and Nacho's legendary penis. Naturally buxom Asian London Keyes takes Nacho's prodigious cock deep in all three inputs, most notably her talented asshole. He violently fingers London's G-spot, triggering an explosive, squirting climax. More intimate and

perverse scenes show the manhandling of tattooed, round-breasted Latina Kayla Carrera; the working of tall, sleek Kortney Kane; and the taking of tasty Latina slut Brooklyn Lee. Porn with such intensity and personality could only be "Made In USA!"

BELLADONNA

Director/superstar Belladonna serves up one-on-one, male-dominant scenes in "Manhandled 4." The four atmospheric vignettes go down in a sleazy motel populated by horny perverts who like their action rough and mean. Ramon Nomar plays an angry boyfriend who abuses Belladonna in the seedy, dingy lobby, right in front of the helpless concierge. Bella gets choked, slapped, knocked around, and she takes his dick down her throat and in her cunt. Young lovers Kristina Rose and James Deen share a forbidden rendezvous in a dark hallway illuminated by a flickering spotlight. James fucks the petite, submissive girl with ruthless determination. Muscular Jordan Ash, as a creepy kidnapper, has naturally busty Asian beauty London Keyes locked in a trunk. The psychotic stud releases his captive for brutal pussy pounding and oral domination. Mr. Pete deals with pot-smoking, slovenly girlfriend Ashli Orion: He pins her, pours water up her ass, slaps and chokes her, drills her asshole and makes Ashli gag on dick.

Belladonna has always been fascinated with ass. For "Buttface," a mind trip into the chemistry of face sitting, rim jobs and smothering, Bella has cast renowned butts and faces for sensuous, Sapphic ass play. Bella enjoys a sizzling 69 with gorgeous, monstrously ass-blessed blonde Alexis Texas, who smothers the director with her enormous, deeply cleaved cheeks while Bella furiously masturbates. Amazingly ass-endowed Kelly Divine joins the pantyhose-clad director for passionate analingus and literally breathtaking face sitting. Naturally stacked Latina cutie Charley Chase buries her lovely mouth in the ass of voluptuous London. Bubble-butt blonde Ashley Fires and dark-haired Kimberly Kane share a tender rimming session with anus-to-mouth fingering, bare toe penetration and breath control.

The triple-DVD "Belladonna's How To: Fuck!" presents hands-on, hard-core demonstrations, with side lessons covering everything from blow jobs to anal hygiene to nutrition. The tattooed temptress engages her partners — French/Vietnamese porn favorite Katsuni, studs Mark Wood and Mr. Pete — in intimate interviews about the mechanics and philosophy of fucking. Bella treats Mark's boner to a slobbery, worshipful, deep-throat blow job; she strokes his shaft with her bare feet and jacks his cream into her mouth. Bella's romantic lesbian session, shared with lovely Katsuni, percolates with cunnilingus, foot fun and G-spot stimulation. Bella performs a sensuous barefoot tease/masturbation and fucks a big, floor-mounted anal dildo; this scene culminates in a bare-sole cum shot from the cameraman. A real-time enema follows as Bella reveals her professional rectal flushing technique. Finally, she discusses butt fucking with Mr. Pete, who shoves his pole deeply up her ass and pussy. And fans will find 2 hours and 42 minutes of revealing behind-the-scenes footage!

Director Jonni Darkko loves to capture women in a glamorous light, and he enjoys girls whose photogenic refinement contrasts with their capacity for sexual filth. The master of various video niches sets his sights on small, feisty sluts in "Spinners," dedicated to the slender, petite princesses who (according to sexual legend) can impale themselves on cocks and be spun around like a pinwheel. Big-boobed brunette Gia DiMarco gets her tight ass rammed by Mark Ashley, and she gobbles his huge dick ass-to-mouth. Mark fingers the little lady's G-spot and makes Gia ejaculate in a wet, squirting climax. Submissive, tattooed beauty Skin Diamond rides Sean Michaels' big black cock; she gets her fine ass fucked and takes his hot load in her mouth. Sassy little Riley Reid services Mark's fat boner and ends up with her pretty face and mouth frosted with jizz. Adorably diminutive Trinity St. Clair tackles the legendary monster cock of black stud Lexington Steele. Trinity's economy-sized butthole accommodates Lex's enormous pole. And all-natural blonde spinner Chastity Lynn has a slutty bi-racial three-way with studs Bill Bailey and Prince Yahshua. "Spinners" is out of control — these girls might not weigh much, but they sure handle heavy fucking!

Next from Jonni is "Sloppy Head 4," his latest tribute to wet, gag-inducing, cum-wallowing blow jobs. The double-DVD marathon stars a dozen messy cocksuckers, like MILF beauty Inari Vachs. "She is the queen when it comes to spit bubbles," gushes Jonni. "I tried really hard to cum on one of her big spit bubbles!" There's hot veteran slut Tiffany Mynx, "another superstar I lost many loads to in the '90s," Jonni recalls. "Tiffany kills it; she sloppy-sucks Prince [Yahshua] and Bill Bailey and me. We gave her pretty, little face a workout." He says award-winning blow jobbers Brooklyn Lee and Juelz Ventura "play so much with each other, and they both get messy. Watching Juelz suck up Brooklyn's bubbles was a super turn-on." On Gia DiMarco: "The best was pouring a bowl full of spit in her mouth and fucking it out!" Cute blonde Lily LaBeau inspired Jonni: "I did a special 'spit cam' on this one. Lily is one dirty girl. So fun. And zero gag reflex. You can fuck her face off." He calls Skin Diamond "a pleasure goddess" and Riley Ried an "unreal new girl. She says she has an oral fixation and that she sucked her thumb till she was 14 years old. Great training!" Jonni is known for his Asian persuasion, and he got two Far Eastern-oriented dick suckers in one scene: "Tia Ling and Yuki Mori, this was a dream come true! Asian heaven!" Perfect for this video is Heather Vahn. "I didn't realize to what extent she would salivate! I didn't want it to end."

MANUEL FERRARA

In director/performer Manuel Ferrara's "Raw" series, the French ladies' man presents intimate encounters with gorgeous, uninhibited, very lust-driven girls — scenes with no porn-fantasy trappings that simply document the perfect, unfiltered *reality* of Monsieur Ferrara and his dates behind closed doors. In four marathon scenes the double-disc "Raw 9" is a first person look at a lifestyle many of us fantasize about. The first scene sees Manuel reunite with Latina seductress Isis Taylor, who's making her way back to boy-girl action after a long hiatus. Pretty, cherry red-locked Isis uses the opportunity to orally worship Manuel's thick cock and get her tight pussy expanded. This all-natural beauty sucks the cum right out of the director's rigid tool. Next, big-breasted blonde Krissy Lynn gives us an introduction to her home and gives Manuel a tour of her round, bouncy ass. The sexy beauty takes an anal ride on his dick and licks Manuel's asshole with slutty abandon. Brunette bombshell Veronica Avluv is a long-legged MILF sexpot who loves turning a man on. Manuel fucks her relentlessly until her feminine wiles coax the sperm from his big boner, and Veronica gulps down his hot, creamy load. Last but not least comes legendary Asian babe Mika Tan's turn. The bubbly, stacked little cutie who hadn't worked with Manuel in some years enjoys an impromptu private session after they run into one another in a shopping center parking lot. She blows the director in his parked car, then joins him in a hotel room for an intense ass reaming that climaxes with Mika licking his cum-spurting cock. All four liaisons here are as real and raw as porn gets.

Manuel's February 2012 release is "Slutty & Sluttier 16," which features fine young babes Lola Foxx and Jessie Andrews; stacked Ava Addams; and exotic Ruby Knox, who transitions convincingly from an androgynous hood rat look to girly cuteness.

Manuel dedicated an entire recent video, "Jynx Maze Is A Sex Addict," to the talented little lust bucket of the title. See incorrigible Jynx in a layout from that movie on page 50.

Jay Sin's kind of pool party...

Jay Sin brings his special flair for capturing female buttholes in the throes of fucking, gaping and wet oral action to "Strap-On Anal Lesbians." Gorgeous sluts ream each other with outrageously huge strap-on dildos as director Jay's double-DVD delivers the eroticism of hard-core sodomy with no dicks to spoil the girly vibe. The undisputed queens of insane anal stunts and monster gaping — Hotkinkyjo, Isabella Clark and Alysa — stretch one another's winking bunghole, plow their elastic backsides with impossibly thick, black phal-luses and enjoying the flavor of ass. Latex-clad bitches Nicki Hunter and Dee Siren have a fetishistic bondage date; a perverse vacuum pump swells Dee's rosebud to a fleshy bulb. Locker room bad girls Roxy Raye and Jayda Diamonds initiate newbie Amy Brooke into a sorority-style lesbian hazing that results in a nasty anal prolapse. Domineering ballet instructor Franceska Jaimes anally trains blonde Chastity Lynn, but young Chastity turns the tables. Shorthaired Julie Night and exotic Annie Cruz share milk and whipped-cream enemas. A bonus poolside anal orgy stars London Keyes, Holly Michaels, Gia DiMarco, Adrianna Nicole, Sammie Spades, Emma Haize and Leilani Leeanne.

At press time we hadn't seen Jay's upcoming "Cream Dreams," so we asked about his next foray into enema country. As always, he offers fun, graphic details: "Eloa and Jennifer White were a real treat 'cause Jennifer is not only very sexy, but very nasty, so it was perfect to see her spraying cream all over Eloa's big ass and tits. I loved it when Jennifer [had] her legs up and sprayed cream out of her ass onto to her own face. The fart noises were epic in this movie, and the loudest [had to be] Amy Brooke and Jayda Stevens. These two had a real battle [to be] the creamiest. Loads of cream would fill each of their mouths from the other girl's ass. Super anal champs Hotkinkyjo and Isabella Clark got fucked good and deep by [Kinky] Niky, with a huge strap-on pushing the cream deep up the girls' asses. Jo's rosebud asshole, all creamy, was an eye catcher. Lil' Proxy [Paige] and Chastity [Lynn] ... took extra cream in their ass breakfast. Honey, yogurt, toys, cereal and milk are a healthy mix! Sexy Jynx [Maze] showed off her creamy ass with extra big exploding cream farts right on the camera. Her stud boyfriend came in to fill her holes up with lots of cream and some good, hard fucking. My favorite part of the movie was Roxy Raye in this public hotel, running around popping her creamy rose out in the elevator and even under water in the pool. Alysa and Roxy is a combo I wanted to shoot for awhile, and it finally came true in 'Cream Dreams.' Don't miss it!"

MIKE ADRIANO

Director/performer Mike Adriano has developed a graphic style for showing twisted butt play and nasty anal intercourse. In his double-disc "Filthy Cocksucking Auditions," Mike lends his signature techniques to a showcase of 19 sweet mouths. The 10 scenes feature mostly multiple beauties employing nasty oral action: excessive drool and spit play, whorish rim jobs, gagging and throat fucking. Gorgeous Latina Vicki Chase and sassy brunette Lyla Storm swap cum and slobber in a fellatio fest. All-natural teens Jessie Andrews and Cassandra Nix take turns tonguing the director's asshole, and each other's. Hot Dana DeArmond and Adrianna Nicole work their spit-slick mouths over Mike's shaft, balls and anus. Sultry black stunner Skin Diamond, naturally stacked Holly Michaels and tattooed mega-slut Juelz Ventura share an oral foursome with Mike; their perverted play fills a glass bowl with warm saliva! Sexy Asian starlets Asa Akira and Tia Ling enjoy a spit-drenched double-blow job. Feisty, gum-chewing Jynx Maze gets her licks in.

With the double-disc "Anal Overdose 2," Mike returns to the backdoor. Five intense, marathon scenes glorify butt plunging, gaping and ass-to-mouth perversity. Busty, seasoned porn sluts Alana Evans and Tiffany Mynx strut on the director's treadmill, then oil up each other's plump boobs and giant ass before taking Mike's meat in their hungry assholes. All-natural redhead Dani Jensen and stacked MILF Veronica Avluv team up for a sensuous session of ass reaming, ass eating and ass-to-mouth fun. Adorable blonde Maya Hills spreads her bubble buns for the director's tireless pole. Super-sexy MILF Inari Vachs sports an unshaved snatch and perfect, all-natural body; she supplies Mike with slobbery deep-throat service and an intoxicating anal experience. A final threesome with gorgeous youngsters Khloe Kush and Alisa Ford features nasty ass gaping.

Mike auditions hot girls in "Nasty Anal Tryouts 2." Running over four hours, the double-disc delivers 11 colorfully clad cuties in a POV-style festival of cocksucking, pussy pounding, cheek spreading, rimming, wide ass gaping and cum gulping. The buttocks of Bailey Blue and Taylor Russo gape widely as Mike's tape measure verifies dilation of 5+ centimeters! Cutie Tanner Mayes gets Mike's one-on-one treatment, and who would want to share her? For stocking and lingerie lovers, Katie St. Ives and Kayla Carrera keep the frilly stuff on while Mike destroys their delicate asses. Aria Rae and Sparky Sin Claire are tattooed fuck dolls who love ink like they love anal attention. And the movie includes two bonus scenes from Mike's archives of anal depravity.

Director Raul Cristian usually imposes rough, male-dominant sex on Europe's raunchiest sluts, but in "Ass Titans 6" most of his subjects are lust-crazed American XXX superstars. Each beauty sports a magnificent ass — blonde MILF Julia Ann, racy Lea Lexis, naturally busty Asian-American London Keyes and another Asian-American stunner, Asa Akira. Julia enjoys anal thrills with Erik Everhard, who leashes her, bends her over a stairwell for a spanking fuck and repeats with his fat dork up her asshole. Asa looks hot riding Manuel Ferrara's

thick post as he pulls her silky hair and stuffs fingers up her ass. He gives her a hard anal pounding; the scene includes a foot job, Fleshlight fucking and a view of Asa's intestinal innards. After a spit-inducing, deep-throat face fuck, adorably stacked London bites her own nipple, fingers her rosebud and takes a serious rectal reaming. Her pretty butt cheeks clap picturesquely as she rides John Strong's dick. Playful Lea Lexis provides Erik a titty fuck and an enthusiastic blow job/hand job/scrotum suck.

Henessy

Wendy

Italian performer/director Omar Galanti brings his freaky sensibilities and club-like cock to the double-DVD "Born To Be Sluts," wherein depraved, preternaturally horny young adventurers get off on debasing themselves without inhibition. Omar invites pretty Channel 69 journalist Henessy to interview him, and she gets the news — anal toys, deep-throat face fucking and a sweaty, male-dominant butt fuck. Omar and Markus Tynai manhandle promiscuous Michelle, who sucks cock pulled freshly from her gaping asshole and takes a double-anal plowing ... two cocks up her ass at once! Omar makes longhaired Kitty Black suck his big bone through her stockings,

spanks her ass rosy and fucks her anus to gaping. And he kisses her jism-dripping mouth! Cute Geizer spots Markus jacking off outside her window. She's the kind of slut who invites perverts in; he carry-fucks her gaping butthole. Wendy resembles Belladonna with her sexy, gap-toothed smile and sexual playfulness. She takes DP, double-vaginal and double-anal poundings. Buxom, tanned Piksi likes clothespins pinching her mouth, tits, pussy lips, and Omar's scrotum and prick! Practice and determination go only so far; the nastiest sluts were born with natural talent.

DAVID PERRY

Veteran director/stud David Perry is a big fan of top-heavy ladies with soft, bobbling boobs — tits that don't require surgical improvements. In "Big & Real 2," David serves up three hours of gorgeous, god-given sweater meat from five amazingly stacked gals. Classically voluptuous Laura Orsolya's enormous, bouncing jugs spill from her halter top. She masturbates in a bubble bath before joining David on the bed for a tit-fucking 69 and a pussy plowing. Plush, sexy redhead Salinas frees her giant whoppers, eagerly swallows Mike Chapman's big black cock and uses her tremendous jugs to get him off. Raven-haired Jasmine Black, a bubbly sex bomb with a generous ass and huge, authentic knockers, lures Toni Ribas into a pool table fuck; he fingers the curvy cutie to a squirting orgasm. Knockout brunette Sensual Jane slides out of her small bikini, revealing a sizeable pair, then rides the director, her big fun bags swinging and jiggling with every pump of his hard dick. David spurts hot semen into Jane's soft cleavage. And 19-year-old Nanny shows us a perfect, young body sporting an impressive bust. She uses her mouth and boobs on Tony's boner until he creams her udders. If you're looking for massive tits, "Big & Real 2" is the natural choice.

David knows his way around a group-sex scene, and he loves those special girls who do too. "Hose Monster 3" is the latest in his series dedicated to sluts who truly get off on multiple-cock attention. Flashy, glamorous blonde Nikky Thorne visits a nightclub under construction to practice on the stripper pole. She can't help seducing four beefy workers, and soon she's got Ian Scott's huge meat up her ass as she fondles and deep-throats more pricks. She's lifted bodily in a manhandling double-penetration that makes her distended anus gape, and she swallows four loads of semen. Larissa Dee is not your average jailer — her skimpy "uniform" of knee-high boots, police hat and nightstick shows off her tall, leggy form as she teases three inmates into jacking their erections. After sucking dicks through prison bars she can't resist releasing all three pricks to fuck her ass. The wayward law woman enjoys a hammer-fucking DP and kneels as three ejaculations slather her face, chest, shoulders and body. Longhaired hooker Bettina DiCapri struts around an alleyway, her big butt hanging out of a black leather lace-up mini-dress. She challenges four street toughs to fuck her right there, so they plow her face, cunt and gaping asshole. Bettina gets fucked over a barrel and double-penetrated. Four wads spray down the whore's face in a climactic circle-suck. Not every slut can stand up to a three- or four-cock assault ... but truly dedicated "Hose Monsters" live for the thrill.

BOBBI STARR

Kelly Divine

Bobbi Starr spreads Lily LaBeau

Lily LaBeau

When stunning slut/innovative director Bobbi Starr and her kinky friends get busy, no ass is safe! Bobbi's double-disc "Occupy My Ass" features a slew of intense domination scenarios that begin with harsh lesbian antics and, with the addition of horny cocks, escalate to serious rectal invasions. First, Bobbi violates lovely blonde Lily LaBeau's backdoor with roughly inserted butt toys, a speculum, strap-on fucking, deep finger probing and a live dick to insure Lily's anal and oral submission. Lily licks cum from Bobbi's hand and gets it smeared all over her face.

Next, Kimberly Kane overpowers adorable new girl Ashlynn Leigh with a bunny bondage mask, throat-reaming oral abuse, an outrageous butthole attack and a cum shot into her open eyes... it's Kimberly's tribute to her extreme-porn icons. (See our photo layout from this scene on page 30.) Lovely Dana DeArmond accosts young Sarah Shevon in an alleyway and drags her inside to whack the sexy, all-natural brunette into shape. Kelly Divine's magnificent, huge ass

is next on Bobbi's brutal agenda: The director flogs blindfolded, gagged Kelly's massive buns and jams her rudely gaping asshole with fingers, various toys and a friend's rigid cock. Petite, whimpering cutie Emma Haize takes a vicious spanking, hair pulling and face-slapping by Bobbi, followed up by an inflatable butt plug, a strap-on-assisted double-penetration and more. Finally, voluptuous Arabelle Raphael gets her plump, meaty ass disciplined by bitchy domme Aiden Starr and cocksman Mr. Pete. "Occupy My Ass" makes a statement about the exchange of power with girls whose butts are 99 percent insatiable!

Next on the director's release schedule is a return to her sexually progressive Northern California roots as "Bobbi Violates San Francisco." At press time the double-DVD was set to offer eight threesome scenes, each featuring Bobbi with a chick and a cock. The chicks include Jessie Cox, Audrey Rose, Sparky Sin Claire, Vivienne Del Rio, Krysta Kaos, Dylan Ryan, Baretta James and Princess Donna. Among the dudes are Mr. Pete, Mickey Mod, Jon Jon and James Deen. We wonder whether even the capital of progressiveness and free love can handle Bobbi's brand of violation...

FUCKING C.O.

Fiction by G. Lucas • Illustrations by John Howard

Ms. Kline was an attractive white girl in her early twenties. She had an unusually round and well-defined ass, especially for a white woman. And Ms. Kline possessed an equally unnatural penchant for black men — I suppose that's why she quit her position with a big firm and opted for a lowly station as a corrections officer in the state prison system.

The black prisoners treated her like a white goddess, constantly showering her with adulation. To say she basked in the attention would be an understatement. Hell, she encouraged it. She enhanced her natural assets by squeezing into uniforms that hugged her bodacious body like a second skin. Ms. Kline must have tied her shoes a couple dozen times every day, always standing up, bent lewdly at the waist. And she always seemed to be on the compound whenever there was a mass movement, which placed her directly in the oncoming crush. On these occasions she would "accidentally" brush up against the cons.

Eventually, one of these luckless fucks had the balls to tempt fate — he deliberately ran the palm of his hand over the curve of Ms. Kline's incredibly plump rump. Instead of the 10-10 he had steeled himself for, she gave him a knowing smile. This juicy piece of gossip hit the grapevine and washed over the joint like a tidal wave. Every Tom, Dick and Horny in the place wanted to try his hand. And the divine Ms. Kline reveled in it — you could see the tight bodied, phat assed little whore was in seventh heaven.

Ms. Kline became bolder

— one of her favorite pastimes was posting up near the shower, while it was occupied. She'd bend and gyrate as if doing a striptease without actually ever taking off a stitch of clothes. When she watched cons jack, she would lick her lovely lips or blow the guy a kiss. This bitch was sin-sational...

This is where I, Yogi the cook, entered the script. I was mopping the floor before the chow lines started when I noticed a smaller shadow merg-

ing with my own. I turned to see who was there, and I must say that I was so pleasantly surprised, I couldn't find my tongue.

The notorious Ms. Kline asked, "Is it true what they say about big feet?"

"Huh?" I mumbled, still stunned.

"You know," she said, smiling devilishly, "big feet, big cock..."

This shit was instant aphrodisiac; my dick sprang erect immediately.

"Hmmm," she cooed, staring unabashedly at the obvious bugle corralled in my trousers. "I suppose it is."

She looked to the right and then to the left; nobody else was in sight. Her small but nimble hand shot forward like a striking cobra, gripped my dick and tugged firmly. "Pop that cage and let me see it." She didn't have to ask twice. When my ebony snake sprang free she gasped, "Oh my ... it's ... beautiful." She just stood there entranced, staring at my dick as if she'd just discovered something utterly mesmerizing. I was on the verge of snapping my fingers when she dropped to her knees and coaxed the head into her wonderful mouth.

Ms. Kline's oral skills were astonishing — the little slut sucked nearly eight inches of my manhood into her pretty, little face without the slightest hint of a gag. She backed my dick out of her throat in slow motion, then licked the shaft like it was her favorite lollipop. Her second attempt to deep-throat me was too much, so I busted off then and there. Hot cum jetted down her throat, and this time she *did* gag. Instinctively I pulled back, and a thick string of jism connected her heart-shaped mouth to the head of the Congo snake parked inches from her face. My gunk and her saliva dangled from her chin and poured onto her uniform, just above the state seal.

The distant jingle-jangle of keys

on the move brought us back to reality. Ms. Kline pulled a hankie out of her pocket and wiped dick juice off of her comely face. After she tucked her shirt back into her pants and wiped the spunk off of her badge, she looked me in the eye and said, "That was awesome!"

Starting to head away from the approaching keys, Ms. Kline stopped and turned back toward me. "You clean the back stairwell after lunch, right?"

"Yeah..."

She turned without uttering a word, and I silently checked out the contours of her bubble ass as she walked away. The supple jiggle was hypnotic and caused my dick to get hard again...

The entrance to the back stairs was clearly marked in bold letters: **OUT OF BOUNDS, OFF LIMITS TO INMATES**. Cleaning this area was a "preferred assigned," and to my knowledge I was the only convict allowed back there.

Officer Rosco unlocked the door to the back stairs and looked down at his wristwatch. "It's 12:33. You've got half an hour to get it done." I pushed the broom, mop and bucket through the doorway and stepped in behind them. Rosco shut the door behind me and I heard the lock click into place.

I looked up the steps to the landing at the top ... no Ms. Kline. The place was

her legs, took hold of my black pole and guided it to her hot, wet hole. Four inches, six, eight ... she buried the full 10 inches inside of herself.

Kelly didn't waste a moment. She rocked forward until only my dick head was inside, then pushed back, and I plunged in until my nuts hit bottom again. It took about four seconds for me to synchronize my stroke with hers. Her timing was perfect as she rode every stroke to the very top and pushed her wet snatch back onto me until my balls slapped the red, swollen lips of her fiery cunt. She had the wet-test pussy in the world; it was like sticking my dick in a jar of warm honey. Thick girl juice dripped from the kinky bush at the base of my pole.

As I said, this hooker's timing was perfect — one or two more cycles in her hot box and I would have buried a load of dick sauce at the bottom of her cunt well, but in a raspy voice she said, "Take it out."

My instinct said no, but I did manage to comply ... barely. Know for a fact that this took every ounce of willpower I possessed. I watched in silence, my dick throbbing like a time bomb about to go off, as she reached under her belly and slid four fingers into that sloppy, wet pussy. When she pulled them free, her hand gleamed with girl

empty, exactly as it had been the entire five months I'd worked the detail. I grabbed the cleaning gear and started up the steps in no particular hurry. Ms. Kline filled my mind to the brim. I might have been disappointed, but the earlier events had me so fucking wired up that I sprouted another hard-on.

Reaching the landing I turned; this is what greeted me: a buck naked Ms. Kline on all fours, bountiful and delicious ass hiked up in the air, her strawberry colored cunt and pink rosebud staring me in the

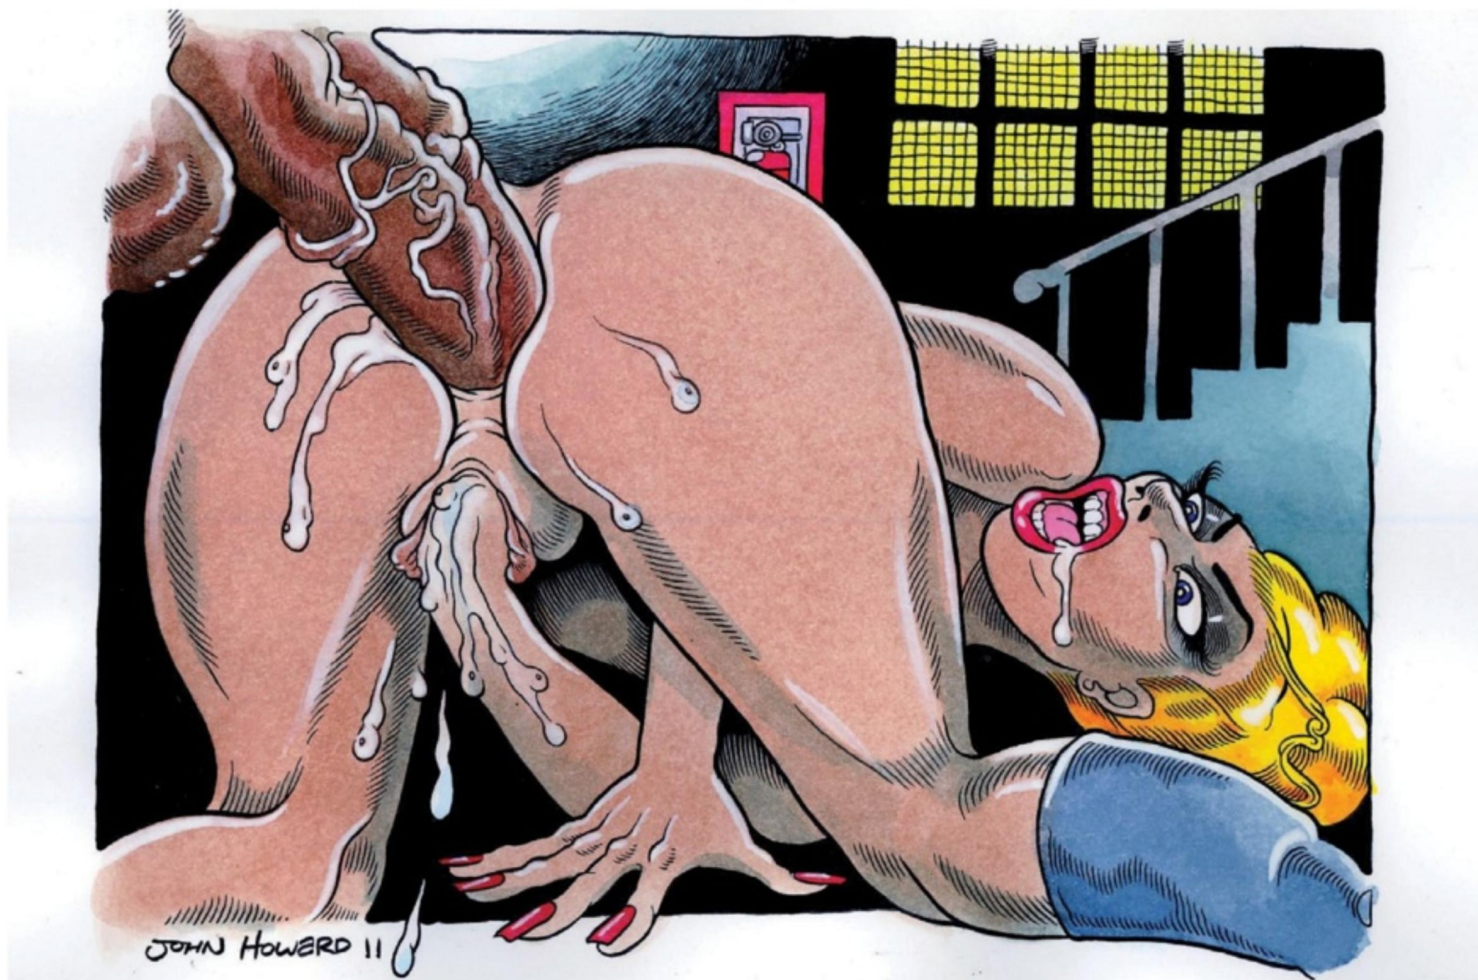

eye. "You like?" she teased.

In response I let my pants drop to the floor. My dick was already as hard as reinforced concrete. I could see the juices glistening from the meaty lips of her cunt as her hand slid through the tiny, golden patch of hair situated just below her hood. Kelly — she told me to call her that when we are alone — fucked two fingers into her cunt and used them to massage her clit until it was an angry, swollen button. Like a true contortionist, she reached between

goo. She sloshed the slick fluid down the crack of her plump, round ass. I watched in wonder as she shoved her fingers into her asshole and rhythmically penetrated its sticky, flexing pucker. In only a few minutes she had worked four fingers in right up to the knuckles.

Like a hungry lioness, Kelly latched hold of my throbbing prick and fed it back into her red-hot cunt. In a single motion she pushed backward, and 10 inches of black snake disappeared inside her. On

“I was banging the tight-gripping tunnel between those plush cheeks like a human jackhammer when the whimpering started, and then her pussy leaked like a faulty faucet.”

the up-stroke she disconnected, her juices dripping from my junk like hot butter. Again she took hold of me, but this time she fed it into her bung-hole. I intended to work it in an inch at a time, but the divine Ms. Kline wasn't having that lame shit. She impaled her asshole on me in one stroke and gave me an order: "Fuck my ass, hard and fast."

Kelly's ass was like a ferocious predator; it happily devoured me on every down-thrust and sucked greedily at my dick on every up-stroke. My ball sac whacked her ass hard again and again, and she feverishly stroked her cunt and clit with her fingers.

I was banging the tight-gripping tunnel between those plush cheeks like a human jackhammer when the whimpering started, and then her pussy leaked like a faulty faucet. She slammed back at me, trying to keep my meat up her spasming hole as

her limbs thrashed and her face flushed red and sweat formed on her forehead. "Ooh! YES!" she grunted. "Aaah, my God, aaahhh!" For an instant her body froze; every muscle seemed to lock up at once, but I kept hammering at her tight asshole. The first ejaculation of girl cum gushed out of her cunt in an explosive stream and I didn't slow down a lick. The moan rumbled from deep down inside her body and her asshole clamped down on my dick with a vise grip. Through clenched teeth she hissed, "DRIVE IT ALL THE WAY!" The quake that followed rocked her whole body, and another stream of girl cum erupted. My loins were suddenly soaked in the waves of clear, viscous fluid raining from her open cunt. Up until that moment I had thought female ejaculation and anal orgasm were myths, but I experienced both first-hand, and the thought of it turned me on as

much as the feeling. When I hit bottom my nuts exploded and I dumped a heavy load in the depths of that phat, round ass.

Shortly after this magnificent display of sexual prowess, Kelly was posted outside in a tower, so I rarely ever saw her. (I knew well enough to keep my mouth shut, but another lucky con must not have been so smart.) Then, a few months before my release, I heard that she resigned and moved out of state for a new career. The truth is that I did not believe I would ever lay eyes on this lusty, uninhibited creature again.

So you can imagine how thrilled I was to open a recent issue of *Buttman Magazine* and see Kelly (using a different name). Two things struck me right off the top: 1) She looked better than ever, and 2) even on paper her love of anal sex comes across as completely real.
